Education Club

Plan in advance and save money!

Membership in WesPay is like having an extended professional payments team. Our training programs shorten the learning curve for your employees – especially new additions – so that they can get up to speed quickly and efficiently. Our payments professionals have years of experience, industry-recognized certifications, and an extended network of people in-the-know who can be called upon to help with unique problems. Ensure that your organization is fully utilizing these resources.

The WesPay Education Club helps you to budget the training you and your staff require to stay current in a dynamic payments industry. By choosing one of these convenient pre-pay education packages, you can plan your training budget for a full year and save money on top of the already low WesPay Member pricing.

Redeeming Points

Points can be redeemed for any WesPay educational events. Each type of event requires a different number of points. Upon purchase of a WesPay Education Club package, you will receive a unique coupon code. Each time you register for an educational event, simply use the coupon code in the space available and we will manage the points automatically.

Webcasts:	1 point
Teleseminars:	2 points
Half-day workshops:	3 points
Full-day workshops:	4 points
Executive Forum:	5 points
Symposium:	9 points

** WesPay Education Club points do not apply to NACHA events, The Clearing House (EPN) events, or other non-WesPay education events that may be promoted by WesPay.*

Expiration Date for Points

Points are redeemable for a period of one year from date of purchase. You can also request a start-date up to 6 months after the purchase date if you are planning for the coming fiscal year.

Extend the life of your investment

By purchasing an additional package at the end of your current program, any unused points will be automatically rolled into the new program.
