As travel restrictions continue and mandatory self-quarantine for Hawaii visitors makes it challenging for WesPay to provide in-person workshops, we want to provide the next best thing: Hawaii Payments Training, Social Distancing Style.

Join us at one of these Virtual Workshops from your office, your dining room, or even a quiet spot on the sand…it’s your choice! These are several of WesPay's most popular workshops provided at a time that is most convenient for you and available only to our ‘ohana in Hawaii.

Training is free for WesPay Members. Nonmembers are welcome. Special low rates are available.
